

- Every student must file an Institutional Application for Financial Aid with the Financial Aid Office (Room 7201) by February 15, 2005 to be eligible for these awards. The Awards Committee makes its determinations on the basis of merit, taking into account need. While the strongest case for these awards would, for instance, be someone with the most merit and the most need, the committee recognizes that all students do not fall in that category. Therefore, all students are therefore encouraged to fill out this application form so that they will be eligible for consideration. There is no separate application for the Awards Committee.
